- This is a competitive programme and grant awards will be determined on the basis of merit. Applicants are advised that individuals which have been successful in securing funding in the past will not automatically be guaranteed funding in the future. All applications must be completed in full and retrospective applications will not be considered i.e. the application must be submitted before event, activity or project takes place.
- It is a prime responsibility of the Council to ensure the proper and efficient use of and accountability for public funding. Individuals will therefore be required to demonstrate the need for financial assistance.

### 6) Conditions of Grant

6. Applicants will be required to demonstrate the need for the project/activity. Projects will only be assessed if there is evidence that they fulfil a clearly identified need and they show a degree of community support or clear benefit to the Borough. Applicants are encouraged to include any letters of support and the results of any surveys.
7. Only one application for support of up to £1,000 will be considered in any financial year. Retrospective applications will not be considered.
